Re: Garage Roof Replacement Project -- 1111 West Avenue

Dear Mr. and Mrs. Stuart:

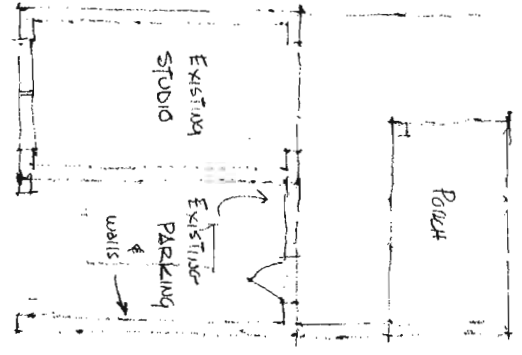

Thank you for sharing your construction plans regarding your garage roof replacement project planned for 1111 West Avenue. The Officers of the West Avenue Improvement Association ("WAIA") have reviewed your construction plans, and we have concluded that the WAIA does not oppose your construction of a garage roof replacement at 1111 West Avenue.

Very truly yours,

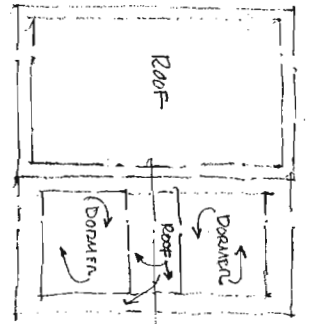

A handwritten signature in black ink that reads "Edward T. White".

Edward T. White
Vice Mayor
West Avenue Improvement Association
