The Department is continuing to monitor activity in and around Richmond, as well as working with other law enforcement agencies. Operations and personnel are in place to address public safety needs.

In anticipation of events, signs prohibiting firearms will be placed throughout the city to inform those who may gather that firearms are prohibited at permitted events and events that would otherwise require a permit, as well as areas adjacent to such events. Please report any suspicious activity immediately by calling the non-emergency line at 804-646-5100 or 911 for emergencies.

If you live or work in the area surrounding Capitol Square and downtown, you should expect disruptions to your usual routines. Traffic will be impacted starting at 6 a.m. on Sunday, January 17 until 6 p.m. Monday, January 18.

VCU COVID-19 Updates

Spring Semester starts January 25

VCU will begin the spring semester with students taking virtual classes as a result of the ongoing surge of the COVID-19 virus.

All classes will begin virtually, except in instances where a student is involved in clinical and field placements, practica, co-ops, internships and other work-related experiential learning activities. This means that previously planned in-person classes and the in-person component of hybrid (blended) courses also will take place virtually.

Spring semester [start dates](#) remain unchanged (Jan. 25). Students can find updated information regarding their courses at <https://www.pubapps.vcu.edu/scheduleofclasses>. The university will evaluate the feasibility of resuming in-person instruction as originally planned by mid-February, with the hope of returning to in-person and hybrid courses on or before March 8.

[COVID Vaccine Information](#)

The Richmond Health District will begin expanding its COVID-19 vaccination campaign to include some Phase 1b frontline essential workers on Monday, January 18. Specifically, workers in the first three categories of Phase 1b, will now be eligible to receive COVID-19 vaccines (Police, Fire, and Hazmat; Corrections and homeless shelter workers; and Childcare/PreK-12 Teachers/Staff). Vaccines will be administered through a combination of regional mass vaccination events, as well as partnerships with various providers. Vaccination of Phase 1a populations will continue as the we open up to Phase 1b.

This step is only the beginning of the Phase 1b vaccination process; other populations that qualify for vaccines in Phase 1b—like individuals aged 75 and older—will be offered COVID-19 vaccines in the coming weeks.

If you live or work in Richmond City and think you may qualify for a COVID-19 vaccine in Phase 1a or Phase 1b, please visit vax.rchd.com to fill out a COVID-19 interest form. Call 804-205-3501 (Monday-Friday, 8 a.m. to 5 p.m.) if you need assistance.

It is recommended that residents should sign-up for both the local and the statewide vaccine programs. The state sign-up form is located at <https://vdh.jebbit.com/amkwk6m1?L=Owned+Web&JC=Vaccine> and on the page www.vdh.virginia.gov/covid-19-vaccine.
