## Richmond SPCA

The Richmond SPCA is remaking the Dog Jog and 5K Run for 2021. The local nonprofit's signature Spring fundraiser will be presented by Holiday Barn Pet Resorts and take place over three days, March 19 through 21.

Participants can opt to run, walk, or jog with their dogs on the official Dog Jog and 5K Run courses at Deep Run Park or to use their own courses in the RaceJoy app and take part from anywhere.

Funds raised by Dog Jog and 5K Run participants will benefit approximately 4,000 homeless animals who will be sheltered at the Richmond SPCA this year as well as the lifesaving programs and services the nonprofit provides for pets and people, including low-cost veterinary care at the Susan M. Markel Veterinary Hospital.

The fundraising goal for 2021 is \$50,000.

The first 500 registered participants will receive:

- A limited-edition Dog Jog and 5K Run cotton short-sleeved T-shirt
- A Dog Jog and 5K Run medal and pet tag
- A goodie bag filled with gifts from the event's sponsors
- A personal fundraising page to raise donations for pets in need
- Free access to the RaceJoy app for race guidance, time tracking, and eligibility for 5K Finisher prizes

## **RVAgreen 2050 Planning Continues**

The RVAgreen 2050 Racial Equity and Environmental Justice Roundtable and topical Working Groups continue to meet and work together. This month, the Roundtable worked on principles for equitable community engagement and started brainstorming ways to bring in voices of historically disenfranchised communities that are traditionally underrepresented in planning processes.

The RVAgreen 2050 Working Groups provided feedback on the equity screening tool and worked on a Climate Vulnerability & Risk Assessment - an evaluation of the potential impacts of climate change to Richmond's community, built infrastructure, and natural resources. As part of this assessment, we are looking at impacts not just to these critical assets themselves, but also the consequences of threats such as heat waves and flooding to public health, economic activities, public safety, and the natural environment.

In February, the working groups will begin drafting equitable climate action and resilience strategies. [Learn more about these groups and upcoming meetings here.](#)

## **Good to Know**

### **Tax Amnesty Program**

Richmond property owners and businesses may now apply for the city to waive penalties and interest on their delinquent real estate, lodging, meals, or admissions tax payments.

The new tax amnesty program adopted by the Richmond City Council last month is intended to help residents and businesses struggling financially due to the economic impact of the COVID-19 pandemic.

Under the program, the city will erase all penalties and interest on past-due real estate tax payments if property owners pay off the principal tax due or arrange a six-month payment plan with a 25% down payment during an amnesty period in March.

The city also will forgive all penalties and interest on prior admissions, lodging and meals tax bills due before April 21 under similar guidelines in April.

Applications and details about the amnesty program can be found online at [RVAStrong.org/taxamnesty](http://RVAStrong.org/taxamnesty).

### **City of Richmond Real Estate Tax Exemptions**

The city of Richmond currently has two exemption options available for citizens who are either age 65 or older or who are permanently and totally disabled. Both of these exemptions apply only to real estate taxes. Qualification for either of these exemption programs is based on the income and net worth of the property owner, plus the income of others living in the household.

### **State Grant Program for Virginia Restaurants**

Virginia restaurants have another opportunity for financial relief, thanks to a \$450,000 grant program from DoorDash (a national restaurant delivery service) and the Virginia Restaurant, Lodging & Travel Association, the state's division of the National Restaurant Association.

Independently owned restaurants throughout the commonwealth can apply for grants of \$3,500 now through March 1 at [VRLTA.org](http://VRLTA.org).

The grant funds are available to Virginia restaurants that:

- are independently owned with three or fewer locations
- are currently open at at least one location
- have annual revenue of \$3 million or less per restaurant
- have 50 or fewer employees
- and have been financially impacted by COVID-19.

A panel of judges from the restaurant and tourism industries will select who gets awarded a grant while ensuring the grants are distributed across the commonwealth. At least 20% of grants will go to minority-owned and/or women-owned businesses in Virginia. Grants will be distributed by early April.
